*** Terms and Conditions for included Air North Airfares**

The total price displayed by Northern Lights Resort & Spa in its advertising is inclusive of all air transportation charges, taxes, fees, and surcharges. Pricing is per person for return airfare. All fares are in Canadian dollars. Tickets must be purchased thru Northern Lights Resort & Spa. The fares are valid at the time of transmission and apply to new bookings only. Fares are subject to change without prior notice and for representative information ONLY. This can affect the rate for the package if the original airfare is not available anymore. All taxes, fees, charges and surcharges are subject to change. Fees for optional services—such as itinerary changes, additional baggage, advance seat selection, or certain special service requests—will affect the final applicable cost. Please contact us for details and additional information. Sales are based on availability, and flight restrictions may apply to any promotion regardless of the name, theme, branding, design, or implied applicability. In particular, seats are limited on peak travel days, and may include blackout periods. In addition, availability will vary based on schedule depending upon days of service and route seasonality. Complete fare rules including applicable change fees, cancellation policy, and day-of-week restrictions are displayed on the booking page on Air North, Yukon's Airline's booking site or in the itinerary you receive after booking.
