

# Temporary Exemption Request for Passenger Unable to Wear a Mask for Medical Reasons

## A · Instructions for Passengers

The person requesting a temporary exemption due to medical inability to wear a mask must submit a completed copy of this form in its entirety to Air North. All pages must be reviewed and completed by the person to be exempted and/or the requester, as well as by the required medical doctor or nurse practitioner. Air North will approve exemptions at their sole discretion and, if approved, are valid only for travel with Air North.

This exemption form must be completed in full and submitted to the Air North for approval a minimum of 21 days in advance of departure. Passengers may be asked to provide the completed exemption form any time Proof of Vaccination is required (e.g. at time of booking, at check-in, before boarding, etc.). In addition to any other measures required by Air North, passengers with an approved temporary exemption will also need to present evidence of one of the following from an accredited laboratory or facility:

- A negative result for a COVID-19 molecular test that was performed on a specimen collected no more than 72 hours before the flight's initial scheduled departure time; or
- A negative result for a COVID-19 antigen test that was performed on a specimen collected no more than one day before the flight's initial scheduled departure time; or
- A positive result for a COVID-19 molecular test that was performed on a specimen collected at least 10 days and no more than 180 days before the flight's initial scheduled departure time.

Fees for vaccination exemptions, including any costs associated with obtaining one of the above tests, are the responsibility of the applicant.

**This form may be not be used in place of an exemption for those who are not vaccinated. A separate application must be submitted for such passengers.**
