

Employment Opportunity

Aircraft Fueler

Competition: 4N23-004
Wage: \$24.50 or commensurate with experience
Hours of Work: Full-time
Closing Date: Until Filled
Location: Whitehorse, Yukon

We are seeking a hard-working individual, who takes pride in their work, brings a positive attitude to the work environment and is seeking employment with a fun, professional, and reputable company. The Aircraft Refueller is responsible for ensuring that planes receive the correct amount of fuel.

Reporting to the Director of Fuel Operations, this position is responsible for providing safe, quality and on-time fueling services to Air North, Yukon's Airline and customers. These customers can be anyone from small private jets to military planes that pass-through Whitehorse.

Why work for us?

- Flight benefits for you and your family on Air North and over 75 international airlines!
- Vehicle and home heating fuel discounts with our subsidiary company – Chieftain Energy
- Employer paid health and dental benefits
- Group RRSP investment options
- Opportunities for advancement in your career

You'd be a great fit for this position if you have:

- Demonstrated ability to work as an effective and reliable team member
- Effective written and verbal English communication skills
- Exceptional organizational and time management skills
- Detail-oriented with a high level of accuracy
- Positive "can-do" attitude
- Willingness to handle multiple tasks
- Good communication and customer service skills

Qualifications/Conditions of Employment

- Grade 12 or equivalent
- Class 5 Drivers License with air brakes endorsement and willingness to obtain a class 1 or 3
- Able to obtain an Airside Vehicle Operators Permit (AVOP)
- Able to obtain a Transport Security Clearance
- Able to obtain an Air Radio Operator's license (ROC-A)
- Successful completion of all required training, computer based and, on the job,
- Shift or rotational work will entail early mornings or late nights
- Previous experience in aviation, transportation of dangerous goods, or heavy equipment operation is considered an asset
