

Employment Opportunity Aircraft Maintenance Engineer (ACA)

Competition #: 4N23-081
Wage: Commensurate with experience
Hours of Work: Permanent Full-Time
Location: Whitehorse, Yukon
Closing Date: October 9, 2023

We are seeking a hard-working individual, who takes pride in their work, brings a positive attitude to the work environment and is seeking employment with a fun, professional, and reputable company.

Reporting to the Maintenance Manager or designate, the individual is responsible for the maintenance of Air North, Yukon's Airline's aircraft and aircraft equipment in a safe and effective manner including: servicing, inspecting, repairing and monitoring of aircraft to ensure airworthiness standards are met. The ACA is supervised by the Lead ACA while on duty.

Why work for us?

- Phenomenal flight benefits for you and your family – local and international!
- Extra travel benefits such as hotels and cruise deals
- Employer paid health & dental benefits
- Group RRSP investment options
- Cargo shipping benefits
- Driving and heating fuel discounts

Duties and Responsibilities:

- Conduct maintenance, repairs, and modifications to aircraft using approved tools, materials and manuals
- Perform scheduled and unscheduled maintenance tasks
- Troubleshoot and rectify aircraft system defects
- Ensure the Company's safety standards are adhered to at all times
- Ensure work accomplished is correctly documented and recorded
- Verify parts installed onto the aircraft are properly certified, prior to installation
- Oversee the work of apprentices and providing training/guidance in order for them to become AME's
- Understand and comply with all regulatory requirements and Company policies, manuals, and documentation requirements in accordance with Airworthiness Certification Authority
- Complete log book entries and create and complete task cards and non-routine cards (NRC)

Qualifications/Conditions of Employment:

- Valid Transport Canada Aircraft Maintenance Engineer M2 rated License
- Minimum 2 years related experience
- Type endorsements on B737-3/4/5 or ATR-42-300/320
- Successful completion of required company indoctrination, general and recurrent training
- A minimum of 6 months experience within the last 24 months working on M1 & M2 aircraft of which at least 3 months is working on M2 aircraft
- Required to maintain a valid Restricted Area Identification Card (RAIC)
- Be physically fit (able to lift up to 30 pounds repetitively, able to stand/walk for extended periods of time, work in pressurized environment)
